OVER CONSUMPTION									
1. If you exceeded the indicated CAP (GB) of your plan, you will be charged an over consumption fee at a rate of LBP 30000 + VAT per extra GB used									
Note that the indicated cap (GB) of your plan is the sum of the upload and download volume									
2. An optional pack is required for each additional telephone socket at your premises. Every telephone handset should have a splitter connected to it in order to avoid noise and interference.									
3. All plans are subject to technical feasibility landline capability									
4. The more speed you can get is affected by your distance from the central office and the quality of your copper line									
PAYMENT MODE									
Monthly fee- Choose payment option: ☐ OMT ☐ WISH ☐ IN-HOUSE									
IMPORTANT INFORMATION									
1. For any cancellation of existing service, kindly contact Mncts customer care without receiving a properly filled cancellation form (a signed cancellation form should be submitted), Mncts cannot process any cancellation									
2. Mncts or third party are not responsible for any internal or external wiring work inside or outside the building									
3. A prorated Fee will be charged only for the first month of service depending on the service activation date with a minimum charge of 200 000 LBP									
4. If you wish to cancel your ADSL account ,a cancellation fee of 200 000 LBP will apply. All Mncts ADSL services and accounts must be paid in full before cancellation is complete. Any cancellation form submitted after the 24th of every month will be rejected.									
5. If the account is cancelled due to non-payment of monthly fees or any other reason, you will have to pay an additional 200 000 LBP re-connection fee to re-activate your account. Re-connection delays may apply									
6. Billing cycle commences 5 days after notifying the customer that his phone line is ready for DSL connection									
7. All plans are treated under fair usage policy.									
8. it's important to know : the more speed you get is affected by your distance from the central office and the quality of your copper line.									
9. A 1 USD collection charge applies on monthly payments made
